

## Online Quran Teachers

**Fases de projeto:** Criação

We have carefully selected high-class and professional teachers of Quran. Our teachers are proficient receptors to encourage students to recite well and to maintain their interest [tuhfat al atfal](#) [1]

Our experience with students enables us to determine the fastest and most effective teaching methods that, Allah willing, make them achieve the best results in memorization of the Holy Quran within the shortest possible period of time.
